**Re: Speed Bumps in Public Lane south of Gerrard Street East, west of Boulton Avenue
and Public Lane east of Broadview Avenue, south of Gerrard Street East**

Dear Councillor Moise and Toronto and East York Community Council,

Residents near Gerrard Street East and Broadview Avenue have reached out to my office regarding speeding concerns in the public lane south of Gerrard Street East, west of Boulton Avenue. Although there are some bollards in the laneway, the traffic speeds persist, and vehicles have been repeatedly damaging the home at 244 Boulton Avenue. There is a high volume of traffic in this laneway as is the main access point for businesses on Gerrard Street East.

Recommendations:

1. Toronto and East York Community Council authorize the installation of speed bumps in the public lane south of Gerrard Street East, west of Boulton Avenue, as shown on Drawing No. TC-592, dated October 2025, from the Director, Enforcement and Street Management, Transportation Services.
2. Toronto and East York Community Council authorize the installation of speed bumps in the public lane east of Broadview Avenue, south of Gerrard Street East, as shown on Drawing No. TC-592, dated October 2025, from the Director, Enforcement and Street Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
