

**MORE NEIGHBOURS  
TORONTO**

Dear Members of Toronto and East York Community Council,

**RE: TE20.5 - 70-86 Lynn Williams Street - Zoning By-law Amendment - Decision Report - Approval**

***About More Neighbours Toronto***

[More Neighbours Toronto](#) is a volunteer-only organization of housing advocates that believe in building more multi-family homes of all kinds for those who dream of building their lives in Toronto. We advocate for reforms to increase our city's ability to build more homes in every neighbourhood. We are a big-tent organization with members across the political spectrum who are committed to counterbalancing the anti-housing agenda that has dominated Toronto's politics, created an affordability crisis, and cost burdened a new generation of aspiring residents. We are firmly committed to the principle that housing is a human right and believe Toronto should be inclusive and welcoming to all.

***Position***

**More Neighbours Toronto supports this Zoning By-law Amendment.** This application will create more than 500 much needed units of rental housing including 13 affordable units, as well as a daycare and a public park.

We encourage members of the Community Council to approve this project, and to work with City Planning staff to continue to refine and reform our planning processes and By-laws to make projects like this faster and easier to build in all areas of the city.

Kind Regards,

Alena Parkinson,
