RE: TE21.26 - 1 Roxborough Street West - Construction Staging Area

To: Chair Moise and Members of Toronto East York Community Council

Yonge4All is pleased to see a robust construction management plan recommended by Transportation Services to ensure safe mobility for all road users on Yonge Street and Roxborough Avenue West during the construction of 1 Roxborough West. Furthermore, we fully support the amendments to this plan as recommended by the ABC Residents Association in their submission to TEYCC.

With multiple developments planned along the Midtown Yonge Complete Street in the coming years, we hope to see a similar rigorous approach taken with construction staging to ensure the safe and efficient movement of people along Yonge Street, whether they are driving, on transit, walking, cycling or using another mobility device.

Thank you for your consideration.
