TORONTO**

Dear Members of Toronto and East York Community Council,

RE: TE21.6 - 707 Dundas Street West and 327 Bathurst Street - City-initiated Official Plan Amendment Application - Decision Report - Approval

About More Neighbours Toronto

[More Neighbours Toronto](#) is a volunteer-led organization of housing advocates that believe in building more multi-family homes of all kinds for those who dream of building their lives in Toronto. We advocate for reforms to increase our city's ability to build more homes in every neighbourhood. We are a big-tent organization with members across the political spectrum who are committed to counterbalancing the anti-housing agenda that has dominated Toronto's politics, created an affordability crisis, and cost burdened a new generation of aspiring residents. We are firmly committed to the principle that housing is a human right and believe Toronto should be inclusive and welcoming to all.

Position

More Neighbours Toronto supports this Zoning By-law Amendment. We are happy to see the first steps being taken to redevelop the Scadding Court Community Centre and Sanderson Library. New expanded community facilities will be a great addition to this neighbourhood.

City owned land is a valuable resource that is being used to help combat the ongoing housing crisis through the Housing Now and Public Builder programs. We strongly encourage City Planning and City Council to plan for new housing to be added on top of the new facilities at this site as well, to make the best use of this opportunity to improve our city.

Regards,

Damien Moule,
