TEYCC
Toronto City Hall
100 Queen Street West
Toronto, ON M5H 2N2

Dear Chair Moise and Members for TEYCC

TE22.46 - Re-opening of Item TE21.26 - 1 Roxborough Street West - Construction Staging Area

The ABCRA Residents Association fully supports these recommendations, as they will enhance the safety of pedestrians, drivers, and cyclists. We hope the TEYC-Committee will consider and approve the staff's recommendations.

We would thank Councillor Saxe and also the Transportation Services, staff Kathryn Deschamps, the Senior Project Manager for Construction Coordination and Traffic Mitigation. Ms Deschamps diligent oversight of the Yonge Street Construction Hub is helping to ensure efficient and safe construction management.

Thank you,

MH Spence
ABCRA
