Please add my comments to the agenda for the July 8, 2025 Toronto and East York Community Council meeting on item 2025.TE24.22, 2 Old George Place - Alterations to a Designated Property in the North Rosedale Heritage Conservation District - Refusal

Comments:,

We are writing on behalf of the North Rosedale Residents' Association and the North Rosedale Heritage Committee.

We support the recommendation of the The Senior Manager, Heritage Planning, Urban Design, City Planning that City Council should refuse the application for the proposed additions and alterations to the designated property at 2 Old George Place.

We concur with the stated conclusions that the apparent height and form of the proposed roof design is not compatible with that of the streetscape and the addition is not compatible with heritage-rated buildings in the District (as required) with regard to materiality.

As a result, the proposal does not comply with the North Rosedale Heritage Conservation District Plan and Official Plan and should be refused.
