

Dear Councillor Bravo and the Toronto and East York Community Council,

The St.Clair Gardens Residents and their visitors are similarly frustrated and confused at the esoteric parking regulations imposed in our neighbourhood. We are writing to the Toronto and East York Community Council to consider an additional street facing a mirror issue which the Brock Avenue Residents face. The infrequent street sweeping and recently this year's snow removal in our neighbourhood's opinion, does not warrant such confusing parking rules and regulations. We would benefit greatly from the same proposed Brock Avenue parking regulation changes.

Since the loss of our community parking lot of 37 spaces at 31 Blackthorn Ave in November 2024, parking has been a source of extreme anxiety for all who come to our neighbourhood.

Prescott Ave, from April 1st to November 30th, every two weeks faces a loss of several parking spaces when parking changes to the east side of the street. It has become increasingly dangerous; with sightlines for stop signs obscured on major and minor intersections, fire hydrants blocked and driveway entrances impassable. Additionally, the tiny car park we were left with is consistently double parked, cars blocked in with no means of exit during weekends, holidays and festivals.

Our parking situation on a normal day is fraught with tension, let alone on the fortnights where it changes to the other side of the street where there are many less spaces provided. We urge Councillor Bravo to also recognize the difficulties our neighbourhood faces when it comes to resident, visitor and community parking access, and urge her to help us find a remedy such as the one for Brock Road Residents as well.

Current Parking Regulations for Prescott Ave:

No parking on East side from Dec 1- March 31

No parking on East side from 1st to 15th of each month Apr 1 to Nov 30

No parking on East side from 12:01 am- 7:00 am except by permit

1 Hr parking 8am-6pm Mon-Sat, 16th to end of each month Apr 1 to Nov 30.

Warm Regards,

Justin Trigiani
