**RE: APPLICATION DEVELOPMENT # 24 194451 STE 12 RH & 24 192670 STE 12 OZ  
& 24 194386 STE 12 OZ**

Attached hereto please find a Petition in opposition of the demolition of the two small rental buildings located at 1675 and 1685 Eglinton Avenue West and replaced with two tall buildings of 37-storey and 39-storey, as described in the above-noted Applications.

The Petition is also in support of the opposition of the construction of the two tall buildings on said lands, and we also want to stop the amendment of the by-law increasing the height restrictions of new buildings along Eglinton Avenue West between Marlee Avenue and Dufferin Avenue.

Thank you.
