November 21, 2025

To Whom It May Concern:

My business Kensington Sound has been operating in Kensington Market for over 53 years. We are whole-heartedly in support of the proposed real estate development project planned for 333 College Street.

We feel their model of 'densification' is exciting and will bring strong and inspirational community benefits for all of us in the Market.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Vezi Tayyeb", with a long horizontal flourish extending to the right.
