Annual Meeting & Appointee Attendance

The CNEA By-Laws Article VI, Section 6.5 states:

*Every Member and Member organization's representative appointed by an association, society or other body is expected to attend in person the Annual Meeting and any Special Meetings of the Association. If a Community-at-Large Member or an organization's representative fails to **attend at least one-half of the meetings over a four-year period**, the Community-at-Large Member or the association, society or other body must submit a letter of explanation to the Corporate Secretary for consideration by the Executive Committee. The Executive Committee shall review the explanation and determine whether the representative of the association, society or other body will be permitted to continue as that Member's representative, or the Member will be asked to appoint a replacement representative. Alternatively, the Executive Committee may recommend to the Board the removal of the association, society, or other body as a Member of the CNEA. In the case of a Community-at-Large Member, the Executive Committee may accept the explanation and retain the Member's status or recommend to the Board the removal of the Community-at-Large Member. The Board shall make the final decision on any removal recommendations.*

The CNEA Membership organization appointees are invited to attend the Annual Meeting and vote on the Board elections and any other matters brought forward for a vote. Additional representatives from each CNEA Member Organization are welcome to attend but are requested to RSVP and do not have voting rights. There are no proxy votes.

Mandate

CNEA objects are expressly referred to in the CNEA Act. The objects are broadly defined to include exhibitions established either permanently or periodically for the promotion of industries, arts, and science generally. The Act lists a number of express activities including activities related to animals, vegetables, and minerals; activities related to products, wares, goods, merchandise, machinery, inventions and processes of manufacture; paintings and statuary; livestock competitions; and such other exhibitions that support the objects defined under the Act. Building upon the list of exhibition activities, the CNEA Act also highlights entertainment and amusement authorizing exhibition by means of music, shows or other attractions. The Association is given typical corporate powers to enter into contracts, own or lease property, develop grounds, etc. to facilitate such exhibitions. It is also expressly authorized to lease to third parties to facilitate the holding of exhibitions. An umbrella clause provides the Board with the authority to “do such other matters and things as will be in conformity with the objects and purposes of the Association”.

Under the CNEA Act, the CNEA is deemed to be an “agricultural society” that is subject to the Agricultural and Horticultural Organizations Act (“AHOA”). Section 28 of that Act describes the objects of an agricultural society, which include encouraging awareness of agriculture and improving the quality of life of persons living in agricultural communities by:

- Conducting research and develop supporting agricultural programs
- Staging agricultural exhibitions
- Conserving natural resources
- Beautifying agricultural communities
- Conducting activities and providing facilities to enrich rural life

The Agricultural & Horticultural Organizations Act of Ontario objects also include matters such as eradication of pests and encouraging youth involvement in agricultural activities.
