COMMENTS

Composition of the Board

The Greater Toronto Airports Authority (GTAA) Board is an external board that oversees the GTAA, a Canadian Airport Authority under the Canada Not-for-profit Corporations Act.

The board has a total of 15 members including:

- 2 appointed by the Government of Canada
- 1 appointed by the Government of Ontario
- 5 elected from candidates nominated by the municipal nominators (York, Halton, Peel, Durham, and the City of Toronto)
- 7 elected candidates who are identified through a search process conducted by the GTAA which includes engaging with community nominators

Board members should meet certain qualifications

Public members should collectively demonstrate a range of qualifications, including:

- board experience

- financial literacy
- senior leadership experience and accomplishment
- strategic thinking and collaboration
- senior accounting, finance, treasury and capital markets experience, ideally as a Chief Financial Officer with a significant commercial enterprise (experience with a reporting issuer is desirable) and with a CPA qualification; or
- senior global, airport management and operations experience at a major airport.

Greater Toronto Airports Authority Board Appointment Process

The By-law of the GTAA sets out the membership, qualifications and process for the nomination and appointment of members to its Board of Directors.

As a nominator, the City of Toronto submits names for consideration by the GTAA. The GTAA's nominating committee will review and assess the nominees on the basis of the current requirements of the Board. The Committee will then recommend to the full Board a nominee for appointment.

If a municipal nominator fails to submit an eligible candidate with the appropriate knowledge, skills and expertise required for the Board, the GTAA's nominating committee may identify and recommend other qualified and eligible candidates who are a resident within, own a business within, or who are employed within the jurisdiction of the municipal nominator. The GTAA has the final determination on municipal nominees to the Board.

Staff have consulted with the GTAA

The Public Appointments Secretariat received information from the GTAA Board regarding the City's nominee. In light of the uniqueness of the GTAA Board nomination process, staff's recommendation is in line with the recommendations of the GTAA Board.

Public members serve three-year terms and until successors are appointed

As per the Greater Toronto Airports Authority By-law, Section 2.2, the term of office for public appointees to the Greater Toronto Airports Authority Board is three years.
