Subject: [External Sender] Comments for 2026.CC36.2 on February 4, 2026 City Council

Categories: Communication (Supp)

To the City Clerk:

Please add my comments to the agenda for the February 4, 2026 City Council meeting on item 2026.CC36.2, Waiving Application Fees to Support the Redevelopment of Safehaven, 1173 Bloor Street West

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

I respectfully request that the City of Toronto Council approve a waiver for the planning application fees associated with Safehaven's Bloor Redevelopment project, as these costs present a significant financial barrier for us as a non-profit organization. By granting this exemption, Council will directly support the expansion of services for children, youth, and adults with complex medical needs, and enable greater access to supportive housing and community-based care. Keeping the project on schedule is crucial for families, clients, and the broader health system, and your support will help ensure that vulnerable residents receive the care and stability they deserve.

Thank you,
Kimberly
