RE: CC36.4 Council Member Appointments to the Hockey Hall of Fame Board of Directors

Dear Mayor Chow and Members of City Council,

I am writing to you to express my enthusiastic interest in seeking reappointment to the Board of Directors of the Hockey Hall of Fame.

From 2015 to present, I have served continuously as a board member with an excellent attendance record, and contributed with passion to the ongoing success and enhancement of the Hall. Among my additional duties has been Chair of the Governmental Oversight Committee, and as a member of the Corporate Governance Committee.

Hockey is a personal lifetime passion of mine, along with several generations of my family. As a young player, hockey taught me life lessons and brought opportunities. As an adult, I remain connected as an accredited youth hockey coach, volunteering in the community in my private time.

The Hockey Hall of Fame is a site of international importance, and a significant part of Toronto's cultural fabric. The Hall is a landmark museum attraction for Torontonians and visitors to our City; all united in a love of Canada's national winter sport – ice hockey. The Hockey Hall of Fame exists to preserve and promote the game of Hockey in Canada and abroad by honouring achievements, documenting history and engaging in philanthropic activities.

I would appreciate the support of Council in continuing this privilege of service, and to continue build and maintain the collaborative relationship between the Hockey Hall of Fame and the City of Toronto.

Thank-You,
