

Dear Mayor Chow,

I wanted to express my sincere gratitude to you for placing the *C'est What Brewing at the Market By-the-Glass Permit Application to the Alcohol and Gaming Commission of Ontario* item on the February 4th Council agenda. I had originally planned to bring this item as a Member's Motion, recognizing the deadlines that were imposed by the AGCO in C'est What's application.

Your support in bringing this last-minute, urgent motion for a small business in Toronto Centre is greatly appreciated by myself and the St. Lawrence community. The new store will offer an immersive experience through a guest brewer program, food and beer education, and the consumer testing of new recipes.

Your continued support has been invaluable in keeping C'est What's AGCO application moving forward without delay.

Sincerely,

Chris Moise
City Councillor
Ward 13 - Toronto Centre
