Categories: Communication (New)

To the City Clerk:

Please add my comments to the agenda for the March 25, 2026 City Council meeting on item 2026.CC39.1, Report on Councillor Chris Moise's Comments to a Constituent

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:
Hello,

It is unconscionable that a City Councillor faces no penalty or consequence as a result of highly inflammatory and slanderous comments he made towards a constituent.

How is that permissible? Regardless of how a Councillor feels, comments like that have no place in a democratic society.

Councillor Moise is an elected official, and his salary is paid by the taxpayers of Toronto.

There must be some kind of consequence or penalty applied to this Councillor, otherwise this is a very slippery slope.

The role of Councillors is to help make Toronto a better, safer place to live, not name call and then refuse to see his error and/or apologize for his misconduct.

Shameful behaviour and would not be tolerated in any other workplace .
