Subject: [External Sender] My comments for 2026.CC39.1 on March 25, 2026 City Council

Categories: Communication (New)

To the City Clerk:

Please add my comments to the agenda for the March 25, 2026 City Council meeting on item 2026.CC39.1, Report on Councillor Chris Moise's Comments to a Constituent

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

I believe, at minimum, Councillor Moise should apologize publicly to the complainant.

These hearings quite rightfully are held in a very structured and orderly manner. For a representative of this city to blurt out a racial slur to a citizen of Toronto, out of order, is unacceptable.

I fear letting this go unpunished will discourage citizens of this city from attending hearings and fielding their concerns and grievances.

Let us remind the Councillors that they work for the citizens of this great City. And regardless of any personal differences, they should hear and respect their concerns. Thank you for your consideration.

Kind regards,
