Summary

At its meeting on June 18, 2026, the Toronto Francophone Affairs Advisory Committee considered Item [FA8.3](#) and made recommendations to the Economic and Community Development Committee.

Summary of the report (May 21, 2026) from the Chief of Staff to City Manager and General Manager, Economic Development and Culture

This report responds to the Economic and Community Development Committee request to report back on the City rejoining the Association francophone des municipalités de l'Ontario. This report recommends that the City join Association francophone des municipalités de l'Ontario as an Individual Member for the remainder of 2026 and 2027. The recommendation is consistent with a recent Association francophone des municipalités de l'Ontario Board resolution (Attachment 1 to this report), which reaffirms two or more Individual Members (an elected official and a City staff person at minimum) for a period of one year. At the end of 2027, there will be a review of membership outcomes prior to considering a Corporate Membership in 2028.
