#### Summary

At its meeting on March 30, 2026, the FIFA World Cup 2026 Subcommittee considered Item [FWC11.2](#) and made a recommendation to the Executive Committee.

Summary from the report (March 25, 2026) from the Executive Director, FIFA World Cup 2026, Toronto Secretariat:

The FIFA World Cup 2026™ (FWC26) represents an unprecedented opportunity for the City of Toronto to showcase its global reputation as a diverse, inclusive, and vibrant city. As preparations advance, this report provides an update on the FIFA World Cup 2026 Toronto Mobility Plan in support of Toronto's role as a Host City.

As part of the preparations, staff, with the support of Arcadis, a design, engineering and management consulting company, and in collaboration with many internal and external partners including the Transportation Services Division, Toronto Transit Commission (TTC), Metrolinx, the Ministry of Transportation, Toronto Police Service and Toronto Emergency Management, have developed a comprehensive FWC26 Toronto Mobility Plan (Mobility Plan), included as Attachment 1. The Mobility Plan will support the safe and efficient movement of residents, visitors, transit services, emergency vehicles and event-related operations during the tournament period. The plan outlines coordinated transportation and traffic management measures to address increased travel demand around event venues, fan zones, transit hubs, and key transportation corridors.
