To the City Clerk:

Please add my comments to the agenda for the April 15, 2026 Executive Committee meeting on item 2026.EX30.10, Protecting migratory birds at Metro Hall and all City-owned buildings

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

Please publish this email on the city website. Thank you for retrofitting all of the windows to prevent bird strikes. Having dangerous windows is a cruel oversight, and if Toronto is to truly be a humane city, it needs to do everything to protect animals. Please make bird safety a mandatory requirement for all buildings under the building code, and echo this in the animal bylaws.
