

Parking Amendments - Cliveden Avenue

Date: June 18, 2026

To: Etobicoke York Community Council

From: Director, Enforcement and Streets Management, Transportation Services

Wards: Ward 3 - Etobicoke-Lakeshore

SUMMARY

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

Transportation Services is recommending that the existing parking regulations on the west side of Cliveden Avenue, between Bloor Street West and a point 50.5 metres south, be amended to reflect current signage on site. As part of the proposed amendments, designating a no stopping area at the existing curb depression on the west side of Cliveden Avenue located approximately 37 metres south of Bloor Street West will deter parking at this location and will maintain ramp accessibility for patrons utilizing the accessible parking space.

During the course of the investigation, it was noted that the spelling of Cliveden Avenue was incorrect for some regulations. Recommendations 7 and 8 will correct these errors.

RECOMMENDATIONS

The Director, Enforcement and Streets Management, Transportation Services recommends that:

1. Etobicoke York Community Council amend the existing angle parking in effect at all times, on the west side of Cliveden Avenue, between Bloor Street West and a point 45.5 metres south, to be in effect between Bloor Street West and a point 36.4 metres south.
2. Etobicoke York Community Council permit angle parking at all times on the west side of Cliveden Avenue, between a point 39.7 metres south of Bloor Street West and a point 7.8 metres further south.
3. Etobicoke York Community Council amend the existing parking machine regulation in effect from 9:00 a.m. to 9:00 p.m., Monday to Saturday, from 1:00 p.m. to 9:00 p.m. Sunday, at a rate of \$4.50 per hour for a maximum period of three hours, on the west side of Cliveden Avenue, between Bloor Street West and a point 41.5 metres south, to be in effect between Bloor Street West and a point 36.4 metres south.

4. Etobicoke York Community Council authorize the installation of parking machines on the west side of Cliveden Avenue, between a point 39.7 metres south of Bloor Street West and a point 7.8 metres further south, to be in effect from 9:00 a.m. to 9:00 p.m., Monday to Saturday, from 1:00 p.m. to 9:00 p.m. Sunday, for a maximum period of three hours and at a rate of \$4.50 per hour.

5. Etobicoke York Community Council prohibit stopping at all times on the west side of Cliveden Avenue, between a point 36.4 metres south of Bloor Street West and a point 3.3 metres further south.

6. Etobicoke York Community Council amend the existing designated on-street accessible parking space in effect at all times on the west side of Cliveden Avenue, between a point 41.5 metres south of Bloor Street West and a point 4 metres further south, to be in effect between a point 39.7 metres south of Bloor Street West and a point 4.3 metres further south.

7. Etobicoke York Community Council amend the existing parking prohibition in effect at all times on the east side of Clivedon Avenue between the first lane south of Bloor Street West and Meadowvale Drive, to be in effect on the east side of Cliveden Avenue between the first lane south of Bloor Street West and Meadowvale Drive.

8. Etobicoke York Community Council amend the existing no parking in effect at all times on the west side of Clivedon Avenue between Meadowvale Drive and Van Dusen Boulevard, to be in effect on the west side of Cliveden Avenue between Meadowvale Drive and Van Dusen Boulevard.

FINANCIAL IMPACT

The signage costs associated with the proposed amendments are approximately \$1600.00. Funding is available within the Transportation Services 2026 Operating Budget.

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

The Ward Councillor, on behalf of residents of Cliveden Avenue, requested that parking regulations be reviewed on the west side of Cliveden Avenue with specific regards to vehicles parking in the area of the accessible ramp south of Bloor Street West.

Existing Conditions

Cliveden Avenue is characterized by the following conditions:

- It is a one-lane, north-south, local roadway
- It operates one-way traffic on a pavement width of approximately 14.0 metres

- The speed limit is 30 km/h
- Heavy trucks are prohibited at all times
- There is no TTC service provided
- There are sidewalks located on both sides of the street between Bloor Street West and the first laneway south of Bloor Street West. There are no sidewalks present further south of the laneway.
- Our Lady of Sorrows Church is located on the southwest corner

The parking regulations on Cliveden Avenue, within the subject section are as follows:

East Side

- Paid parking 9:00 a.m. to 9:00 p.m. Mon-Sat; 1:00 p.m. to 9:00 p.m. Sun, between Bloor St and a point 36.5 metres south
- No Parking Anytime between the first lane south of Bloor Street West and Meadowvale Drive

West side

- Angled parking between Bloor Street West and a point 45.5 metres south
- Paid parking 9:00 a.m. to 9:00 p.m. Mon-Sat; 1:00 p.m. to 9:00 p.m. Sun, between Bloor St and a point 41.5 metres south.
- Accessible parking between a point 41.5 metres south of Bloor Street and a point 4 metres further south
- One hour parking between a point 51 metres south of Bloor Street West and Meadowvale Drive

Proposed Changes

The existing signed parking regulations on the west side of Cliveden Avenue do not match the parking regulations. The proposed changes will align the parking regulations with the existing signage. Additionally, a 3.3 meter no stopping anytime area is being designated to address concerns with vehicles parking in front of the existing ramp for the accessible parking space. This will deter vehicles from blocking access.

A map of the area and proposed parking amendments is included in Attachment 1.

The Ward Councillor has been advised of the recommendations of this staff report.
