Re: Manitoba Street – Parking Amendment Motion Memorandum
Wards: Ward 3 - Etobicoke - Lakeshore

Transportation Services has been requested by the local Councillor to provide recommended wording for recommendations they plan to present in a motion to Etobicoke York Community Council. Staff request that this memorandum accompany the member's submission.

Summary

- ☒ Staff **support** the draft recommendations provided below
- ☐ Staff **do not support** the draft recommendations provided below
- ☐ Staff do not have sufficient data and/or time to determine if the draft recommendations provided below can be supported by staff, at this time.

Draft Recommendations

1. Etobicoke York Community Council prohibit stopping at all times on the north side of Manitoba Street, from a point 78 metres east of Grand Avenue to a point 12 metres further east.

The Ward Councillor has requested that Transportation Services investigate parking conditions on Manitoba Street and adjacent driveway access points and report on the feasibility of implementing additional parking restrictions to improve visibility and traffic safety for pedestrians and vehicles entering and exiting the area.

Financial Impact

Staff have not been able to develop engineering estimates for this work, but based on previous experience and similar work in the past, we expect the costs associated with approving the draft recommendations above will be approximately \$500. As this work was not anticipated, it has not been specifically included in any approved budgets. Completion of the work would be subject to availability and competing priorities within future Transportation
