NEW BUSINESS

Re: Recommendation to Reduce the speed limit on Elana Drive from 40km/h to 30km/h

Clerk,

I would like to add the following item to today's agenda; recommendation to change the speed limit on Elana Drive from 40km/h to 30km/h.

Elana Drive is located near Jane and Finch and is frequently used as a short cut to navigate around the busy Jane/Finch intersection. As a result, excessive traffic and speeding occur on Elana Drive, dangerously impacting residents. Thus, I am recommending that the speed limit on Elana Drive be reduced from 40km/h to 30km/h.

Sincerely,

A handwritten signature in blue ink that reads "Anthony Perruzza". The signature is fluid and cursive, with a long horizontal stroke at the end.
