RE: EY28.3 - Agreement to Collaborate with Hydro One Network Inc. for Construction on the Etobicoke Greenway Trail Project

Dear Etobicoke York Community Council,

Cycle Toronto is writing in strong support of the Etobicoke Greenway Trail Project, and urge you to approve this agreement with Hydro One. Etobicoke already boasts some of Toronto's best trails and multi-use paths, and this project would further reclaim more green space for more people to enjoy.

We look forward to working with the local councillors, city staff, and the community to build support and awareness to help make this project a reality.
