To the City Clerk:

Please add my comments to the agenda for the July 20, 2026 General Government Committee meeting on item 2026.GG31.35, Community Space Tenancy Lease Agreement with WoodGreen Community Services - 90 Mill Street and 373 Front Street East

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: We are writing to you on behalf of Living Long in the Distillery (LLID), a committee of the Gooderham & Worts Neighbourhood Association (representing residents in and around the Distillery Historic District), to support the staff recommendation to award the lease of the community space at 90 Mill St. and 373 Front St. to WoodGreen Community Services.

LLID has worked closely with WoodGreen for almost three years to establish programming and events which support healthy aging for older adults in both the Distillery and the Canary Districts. WoodGreen knows our community well and has supported the needs of our residents with understanding and respect. Access to this community space will allow WoodGreen to meet many other needs still unaddressed in our neighbourhood by developing strong inter-generational and social programming.

We could not be more supportive of the recommended decision.

Lisa Droppo, Chair, Steering Committee LLID
