Dear Housing Rights Advisory Committee Members,

**Re: Housing Rights Advisory Committee – First Term Accomplishments and Key
Priorities of the City’s Housing Rights Advisory Committee**

In follow up to our discussion at our meeting on May 29, 2026 on item [HS11.3](#) – Housing Rights Advisory Committee – First Term Review and Key Priorities Going Forward, as Chair of HRAC, I will be preparing a summary document which highlights the actions and accomplishments of HRAC’s first term and outlines key priorities identified by our members and community partners for the second term of HRAC, should the Committee be established in the next Council term. This summary will also incorporate feedback from members and community partners who spoke at our meeting or submitted a communication on [HS11.3](#).

This summary document is an opportunity to wrap-up the work of this Committee over the past two and a half years and provide a road map to support the City’s commitment and capacity to progressively realize the right to adequate housing, as outlined in the Toronto Housing Charter.
