

UNITED NATIONS DECADE ON
**ECOSYSTEM
RESTORATION**
2021-2030

CERTIFICATE OF RECOGNITION

THIS CERTIFICATE IS PROUDLY PRESENTED TO:

City of Toronto  *Canada*

As a **ROLE MODEL CITY** under the Generation Restoration initiative (2023-2025) of the United Nations Environment Programme and ICLEI Cities Biodiversity Center, contributing to the UN Decade of Ecosystem Restoration. Toronto is recognized for its successful track record in implementing nature-based solutions (Nbs) in urban space.
