

ATTACHMENT 6 – List of Missing Sidewalk Locations - Non-Delegated, Delegated, and Associated Parking Restrictions

The projects outlined in Table 1 below include new sidewalks on local roads, to be constructed as part of state-of-good-repair roadway resurfacing projects or watermain, trunk sewer, and basement flooding protection projects being delivered by Engineering and Construction Services, as well as stand-alone projects delivered by Transportation Services. Projects marked with an asterisk (*) require parking prohibitions, detailed in Table 3 below.

Table 1: Missing Sidewalk Projects – Non-Delegated

Street Name	Project Type	Project Description	Metres (m)	Ward
Barberry Place	Stand-alone delivery bundled with nearby capital work	West side from Sheppard Avenue East to Thomas Clark Way	110	17
Bellvare Crescent	Bundled with local road resurfacing	North & east side from Deanvar Avenue to Townley Avenue	125	21
