To the City Clerk:

Please add my comments to the agenda for the February 25, 2026 Infrastructure and Environment Committee meeting on item 2026.IE27.8, Tree By-law Review Report

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: Please make this email submission public. Please create a Distinctive Tree category, and please lower the size of mature tree from 30cm to 10cm. Please also put a limit on the number of trees that can be cut on a lot, and create a category of forest that would ban clear-cutting. Please also create a category called Wildlife Habitat Tree and Bird Nesting Tree. Nicole Corrado
