

MOTION WITHOUT NOTICE

Re-opening and Amending Item TE26.49 – Improving Traffic Flow on College Street, between Dufferin Street and Gladstone Avenue

Moved by: Councillor Bravo _____

Seconded by: Deputy Mayor Malik _____

SUMMARY:

At the November meeting of City Council, a no-stopping parking restriction was approved to improve streetcar service and reduce congestion near College Street and Dufferin Street. I have recently heard from residents and business owners about the challenges of fully restricting access to parking at all times and on all days of the week, which has resulted in delayed deliveries to small businesses and limited access to homes.

Transportation Services staff advised that amending the recommendations to prohibit stopping during the morning and afternoon rush hours will support the original intent of speeding up streetcar service and reducing congestion along this corridor. I have consulted with residents and business owners on this section of College Street, and there is support for this updated approach.

City Council approval of this motion is required to reopen and amend this item.

Reason for Urgency:

This motion is urgent as residents and business owners are currently without access to parking, and approval of these recommendations will allow Transportation Services to immediately begin the process of updating necessary signage.

REQUIRES RE-OPENING:

2025.TE26.49 (November 12 and 13, 2025)

RECOMMENDATIONS:

1. City Council amend its previous decision on Item TE26.49 by:
 - a. deleting the entry in Attachment 2 to the Letter (October 2, 2025) from Councillor Alejandra Bravo on Improving Traffic Flow on College Street, between Dufferin Street and Gladstone Avenue, as follows:

Chapter 950, Schedule XIV – No Stopping

Highway	Side	Between	Prohibited Times and/or Days
