Parking Amendments to Accommodate Emergency Loading for UHN, 750 Dundas St. W.

Moved by: **Councillor Saxe** _____

Seconded by: Deputy Mayor Mike Colle _____

SUMMARY:

At all hours, paramedics and ambulances must frequently attend 750 Dundas St. W., a medical facility managed by the University Hospital Network. It is located across the street from the Toronto Western Hospital. The curbside in front of the building is currently signed No Parking /afternoon rush-hour No Stopping, and there is no curb cut.

Paramedics have urgently requested that the bylaw regulations at this location be amended to ensure that ambulances have room to stop there whenever actively picking up or dropping off patients. That is, the curb must remain clear of parked or stopped vehicles at all times.

They have also requested a curb cut, so they are not forced to lift loaded stretchers over the curb.
