Re: MM 39.9 Funding for Huron Street Garden

In **August 2014**, City Council approved “iii. a cash contribution in the amount of \$50,000 for improvement to the Huron Street Garden located at 180 Huron Street”, as approval was given for TE 34.9, the Final report on 231-237 College Street and 177-189 Huron Street.

It has taken **12 years** for this decision to be brought for action through MM 39.9 to Release Section 37 Funds to the Huron Street Garden.

In 2014 we supported this contribution of support. If interest has accrued to this amount, perhaps the amount should be increased to recognise the interest.

Huron Street Garden has a very active group of volunteers. This long overdue contribution will support their work.
