36 Toronto Street, Unit 850 | Toronto, Ontario | M5C 2C6

Re: MM39.50 - Safer Subways: Making Public Safety a Priority and Restoring Confidence to Toronto Transit Commission Riders Across Toronto

This motion is critically important and must be passed. Lawlessness and disorder has taken root on our transit system. Crisis workers, POOs, special constables, etc. are not the answer.

The answer is a highly visible police presence, ready to immediately apprehend, arrest, charge and otherwise remove people who are engaging in anti-social, obscene and criminal behaviour.

This must include patrolling officers in every station and walking on trains. Anybody who is engaging in drug use, relieving themselves, loitering, littering, smelling foul, harassing, carrying a weapon, etc. must be immediately and forcefully removed from the system and sent to either a jail cell, shelter intake, or CAMH. The time to restore deterrence is now. The time to act decisively is now. I've even mocked up a logo of this unit.
