Subject: [External Sender] Support for Motion MM 40.9 – Celebrating Cricket and Strengthening Access to Cricket in Toronto
Date: April 19, 2026 11:41:01 AM

To the Toronto City Clerk and Members of Council,

On behalf of Scarborough Nepali Cricket Club (SNCC), we are pleased to express our full support for Councillor Neethan Shan's Motion MM 40.9 – Celebrating Cricket and Strengthening Access to Cricket in Toronto.

Cricket is one of the fastest-growing sports in Toronto and has become an important platform for bringing together people from many diverse backgrounds. It promotes physical health, teamwork, discipline, leadership, and community connection, especially among youth and newcomers.

As a growing community cricket club, SNCC has experienced firsthand the increasing need for more cricket grounds, practice facilities, and accessible programming across the city. Many clubs and players face challenges in finding suitable spaces to train and compete. Supporting this motion would be a meaningful step toward removing barriers and expanding opportunities for communities that actively participate in cricket.

We also strongly support the recognition of Celebrate Cricket Day, which would acknowledge the tremendous growth and positive cultural impact of cricket in Toronto and across Canada.

We respectfully urge Toronto City Council to vote in favour of Motion MM 40.9 and continue investing in inclusive recreational opportunities for all residents.

Thank you for your time and consideration.

Sincerely,

Naresh Budhayer
President
Scarborough Nepali Cricket Club (SNCC)
