To the Toronto City Clerk and Members of Council,

Subject: Support for Motion (MM 40.8) Proclaiming April as Nepali Heritage Month

On behalf of Fishtail Sports Club and our entire team, I am writing to express our strong support for Councillor Neethan Shan's motion (MM 40.8) to proclaim April as Nepali Heritage Month in the City of Toronto.

As a community-focused organization working closely with families and youth, we see firsthand the positive impact of cultural identity, inclusion, and community engagement. The Nepali community continues to contribute meaningfully to the social, cultural, and economic fabric of Toronto. Recognizing Nepali Heritage Month would be a meaningful step in celebrating these contributions while promoting awareness, respect, and unity.

This designation would also provide an important opportunity for younger generations to connect with their heritage, while allowing the broader community to experience and appreciate Nepali traditions, values, and achievements.

We believe this proclamation will strengthen the spirit of diversity and inclusion that defines our city. We respectfully encourage City Council to support and adopt this motion.

Thank you for your time and consideration.

Sincerely,

Shailendra Berma
President
