Sub: Support for Motion (MM 40.8) – Proclaiming April as Nepali Heritage Month

To the Toronto City Clerk and Members of Council,

On behalf of Fishtail Investment Group Inc. and its members, we are pleased to express our strong support for Councillor Neethan Shan's motion (MM 40.8) to proclaim April as Nepali Heritage Month in the City of Toronto.

Recognizing Nepali Heritage Month is a meaningful step toward celebrating the rich culture, traditions, and history of the Nepali community. It provides an important opportunity to highlight Nepali arts, language, and heritage, while also acknowledging the valuable social, cultural, and economic contributions that Nepali Canadians continue to make across Toronto.

As an organization comprised of members from the community, we believe this recognition will foster greater inclusivity, cultural awareness, and unity within our diverse city. It will also inspire future generations to take pride in their heritage while contributing positively to society.

We respectfully encourage City Council to support and adopt this motion.

Thank you for your time and for your continued efforts in supporting and celebrating Toronto's diverse communities.

Warm regards,

Ananta Gautam

President
