To the Toronto City Clerk and Members of Council

Thank you City of Toronto and Members of Council for the leadership you have shown in advancing the Neethan Shan's motion MM 40.8 to proclaim April as Nepali Heritage Month. This initiative is both timely and deeply meaningful to the Nepali community.

On behalf of Srijansil Nepali Samaj (SNS), Canada, I am pleased to express our strong support for this important motion. Recognizing Nepali Heritage Month at the Toronto would be a significant milestone that honors the rich cultural heritage, history, and contributions of Nepali Canadians.

The Nepali community has played an active role in strengthening the social, cultural, and economic fabric of this City. From community service and volunteerism to contributions in healthcare, education, small business, and public service, Nepali Canadians continue to make meaningful impacts. A City level proclamation would not only celebrate these contributions but also foster greater awareness, inclusion, and pride among future generations.

We also commend your office for engaging the community through consultation and ensuring that this initiative reflects the voices and aspirations of Nepali Canadians. We are fully supportive of this collaborative approach.

Please consider this letter as our formal endorsement of the motion. Should you require any additional information or further support, we would be happy to assist.

Thank you once again for your commitment to recognizing and celebrating the Nepali community in Toronto.

If you need any further information, please feel free to contact on organizational email srijansilnepalisamaj@gmail.com
