Subject: [External Sender] Support letter for April as "Nepali Heritage Month"
Date: April 22, 2026 10:59:51 PM

Dear Sir/Madam

I hope you are doing well.

I am writing on behalf of the Federation of Canada Nepal Chamber of Commerce to express our sincere support for the recognition of April as “Nepali Heritage Month” in the City of Toronto.

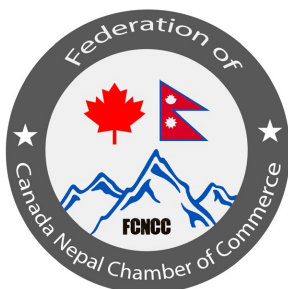

This recognition holds special meaning for the Nepali community in Canada. It is an opportunity to celebrate our culture, language, traditions, and the positive contributions Nepali Canadians continue to make across various sectors, including business, education, healthcare, and community development.

As an organization representing Nepali businesses and professionals, we see firsthand how deeply the community values both its heritage and its connection to Canada. Declaring April as Nepali Heritage Month would not only honor that identity but also help foster greater awareness, inclusion, and cross-cultural understanding within the diverse fabric of Toronto.

We respectfully encourage the City of Toronto to support and officially recognize April as Nepali Heritage Month and to promote community-led cultural and educational initiatives during this time.

Thank you for your time, consideration, and continued commitment to multiculturalism in our city.

Best Regards,

Gokarna Lamichhane
General Secretary
