**Date:** April 20, 2026

**Subject:** Support for Motion MM 40.8 – Proclaiming April as Nepali Heritage Month

Dear Council official,

We are writing to formally advocate for the passage of Motion MM 40.8, introduced by Councillor Neethan Shan, which proposes designating April as Nepali Heritage Month in Toronto.

Establishing this month would serve as a vital tribute to the rich history and cultural identity of the Nepali community. It offers a wonderful opportunity to showcase Nepali arts and literature while honoring the significant social and economic impact Nepali Canadians have on our city and country. We are confident that this official recognition will promote a more inclusive and culturally aware Ontario.

We strongly encourage the Council to support this initiative.

Yam Khatri
