Subject: [External Sender] My comments for 2026.MM41.5 on May 20, 2026 City Council
Date: May 14, 2026 2:00:18 PM

To the City Clerk:

Please add my comments to the agenda for the May 20, 2026 City Council meeting on item 2026.MM41.5, Improving Training of City Enforcement Staff - by Councillor Dianne Saxe, seconded by Councillor Jon Burnside

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

Please make this email public.

We would like to encourage the city as part of its open data program to create a website containing all training materials (videos, documents, and modules) that are used to train staff.

This would help for accountability, and to help identify gaps or issues with training material by the public.

Reasonable exceptions should be made for training material that includes sensitive information - ie security, personal info, etc.

Thanks

George Bell
