Draft Recommendations

1. North York Community Council amend the parking prohibition in effect at all times on the east side of Upjohn Road, between York Mills Road and the south end of Upjohn Road, to be in effect between York Mills Road and Dyas Road.

Upjohn Road is an 11.5 metre wide, two-way, collector road that runs south from York Mills Road with a daily traffic volume of approximately 5,000 vehicles and a 50 km/h speed limit. Parking is prohibited at all times on the east side of Upjohn Road, between York Mills Road and the south end of the street, and on the west side, between York Mills Road and Dyas Road. Parking is prohibited from 8:00 a.m. to 4:00 p.m., on the west side of Upjohn Road, between Dyas Road and the south end of the street.

Cost

The signage costs associated with the proposed amendments are approximately \$500. Funding is available within the Transportation Services 2026 Interim Operating Budget.
