North York Community Council

RE: 1067-1069 parking issue

Dear Chair and Members,

My office received concerns about blocked driveways on this section of road. Parking is currently allowed on the east side of Spadina Road, between a point 104 metres north of Chaplin Crescent and New Haven Road. However, most driveways on this section of the street are spaced less than four metres apart so parked vehicles in these short spaces often block the adjacent driveway. Prohibiting parking on the section of the street with these short spaces would address this matter.

RECOMMENDATIONS:

It is recommended that:

1. North York Community Council prohibit parking at all times on the east side of Spadina Road, between a point 140 metres north of Chaplin Crescent and a point 96 metres further north.
2. North York Community Council rescind the existing one-hour maximum parking regulation, in effect from 8:00 a.m. to 7:00 p.m., Monday to Friday, on the east side of Spadina Road, between Chaplin Crescent and New Haven Drive,
3. North York Community Council authorize a one-hour maximum parking regulation, in effect from 8:00 a.m. to 7:00 p.m., Monday to Friday, on the east side of Spadina Road, between Chaplin Crescent and a point 56 metres north.
4. North York Community Council authorize a one-hour maximum parking regulation, in effect from 8:00 a.m. to 7:00 p.m., Monday to Friday between a point 104 metres north of Chaplin Crescent and a point 36 metres further north, and between a point 236 metres north of Chaplin Crescent and New Haven Drive

Best regards,
