Amend Speed Limit from 50km/h to 40km/h- Draycott Drive

Dear Mr. Green,

Draycott Drive is a local road located in the Victoria Village neighbourhood of Ward 16. The speed limit on Draycott is 50 km/h whereas it is 40 km/h throughout most of the surrounding local roads.

In an effort to reduce speeding on Draycott and to bring a consistent speed limit through the neighbourhood, I am making the following recommendations.

Recommendation:

1. North York Community Council reduce the speed limit from 50 km/h to 40 km/h on Draycott Drive, between Sloane Avenue and Victoria Park Avenue.

Sincerely,

Jon Burnside
