PROPOSAL

The City of Toronto (Development Review and City Planning) has undertaken a focused area study of the lands bound by Don Mills Road to the west, Eglinton Avenue East to the south, the Charles Sauriol Conservation Area to the east, and the CP rail corridor to the north. The goal of the Wynford-Concorde Focused Area Study is to develop a planning framework, that focuses on an enhanced public realm and streetscape integrated with a multi-modal transportation network intended to serve the existing and anticipated residential and employment populations of the area.

The study has resulted in a proposed amendment to the Official Plan which will result in a Site and Area Specific Policy (SASP) for the Wynford-Concorde area.
