PROPOSAL

The purpose of this Official Plan Amendment is to bring forward a new Site and Area Specific Policy (SASP) to replace the current policies of SASP 848 and introduce a new policy framework for the subject lands. The updated SASP policy framework is intended to guide the development of a transit supportive, mixed-use, complete community through a connected network of new local streets and mid-block connections, new parkland, a mix of residential and non-residential uses, diverse housing opportunities and a high-quality public realm.

Changes will be made to the Official Plan Maps and Schedules to redesignate the lands from *Regeneration Areas* to *Mixed Use Areas* and *Natural Areas*, and to identify new planned but unbuilt roads for the Site.
