RE: Re-opening of Item NY33.35

On May 26, 2026, North York Community Council approved two key amendments to Item NY33.35 for a proposed traffic calming project in the West Lansing neighbourhood in Ward 18.

I am requesting to re-open the item and in turn adopt the below recommendations, which will address the technical requirements related to the previous amendments and seek authorization for their implementation. It ensures that staff direction aligns with the North York Community Council's updated decision, and that the project proceeds as intended.

Recommendations:

1. North York Community Council re-open Item 2026.NY33.35, titled "Bogert Avenue, Poyntz Avenue, Johnston Avenue, Cameron Avenue, Franklin Avenue - Traffic Calming (Speed Humps)", with respect to Part 2 and Part 9 of the decision of North York Community Council.
2. North York Community Council amend Part 2 of its decision on Item 2026.NY33.35 by replacing only Attachment 8, Drawing TC-677-1 with Attachment 1 to this letter, Drawing TC677-1a, dated June, 2026.
3. North York Community Council delete Part 9 of its decision on Item 2026.NY33.35.
4. North York Community Council reduce the speed limit from 40 kilometres per hour to 30 kilometres per hour on Florence Avenue, between Pewter Road and Yonge Street.
5. North York Community Council authorize the amendment of Schedule XLV (Part 1) to City of Toronto Municipal Code Chapter 950, Traffic and Parking, to remove
