Re: Dudley Avenue – Parking Amendment Motion Memorandum
Wards: Ward 18, Willowdale

Transportation Services has been requested by the local Councillor to provide recommended wording for recommendations they plan to present in a motion to North York Community Council. Staff request that this memorandum accompany the member's submission.

Summary

- X Staff **support** the draft recommendations provided below
- ☐ Staff **do not support** the draft recommendations provided below
- ☐ Staff do not have sufficient data and/or time to determine if the draft recommendations provided below can be supported by staff, at this time.

Draft Recommendations

1. North York Community Council rescind the existing maximum 1-hour parking regulation in effect from 8:00 a.m. to 6:00 p.m., Monday to Friday on the west side of Dudley Avenue, between Finch Avenue East and Bishop Avenue.
2. North York Community Council prohibit parking at all times on the west side of Dudley Avenue, between Pemberton Avenue and Bishop Avenue.

The Ward Councillor on behalf of local residents requested that the existing maximum 1-hour parking regulation in effect from 8:00 a.m. to 6:00 p.m., Monday to Friday on the west side of Dudley Avenue, between Pemberton Avenue and Bishop Avenue be amended to No Parking Anytime. The change would be consistent with the regulations on the remaining segments of Dudley Avenue, between Finch Avenue East and Bishop Avenue.

Cost

Staff have not been able to develop engineering estimates for this work but based on previous experience and similar work in the past, we expect the costs associated with

approving the draft recommendations below will be approximately \$1000. As this work was not anticipated, it has not been specifically included in any approved budgets. Completion of the work would be subject to availability and competing priorities within future Transportation Services Operating Budgets, unless a specific funding source is identified by the councillor and approved by North York Community Council.
