Re: Parking Amendments – Woodsworth Road (Ward 15, Don Valley West)

Transportation Services has been requested by a local Councillor to provide recommended wording for recommendations they plan to present in a motion to North York Community Council. Staff request that this memorandum accompany the member's submission.

Summary

X Staff **support** the draft recommendations provided below
Staff **do not support** the draft recommendations provided below
Staff do not have sufficient data and/or time to determine if the draft
recommendations provided below can be supported by staff, at this time.

Draft Recommendations:

1. North York Community Council rescind the existing parking prohibition, in effect at all times, on both sides of Woodsworth Road, between Bannatyne Drive (southeast intersection) and Stubbs Drive.
2. North York Community Council prohibit parking at all times, on the west side of Woodsworth Road, between Bannatyne Drive (southeast intersection) and Stubbs Drive.
3. North York Community Council prohibit parking at all times, on the east side of Woodsworth Road, between Elliotwood Court and Stubbs Drive.

The subject section of Woodsworth Road is an 8.5-metre wide, two-way, local roadway. Parking is currently prohibited at all times on both sides of Woodsworth Road, between Bannatyne Drive (southeast intersection) and Stubbs Drive.

The width of Woodsworth Road is sufficient to allow for parking on one side of the street and maintain safe and efficient two-way traffic.

Cost

Staff have not been able to develop engineering estimates for this work but based on previous experience and similar work in the past, we expect the costs associated with approving the draft recommendations below will be approximately \$500. As this work was not anticipated, it has not been specifically included in any approved budgets. Completion of the work would be subject to availability and competing priorities within future Transportation Services Operating Budgets, unless a specific funding source is identified by the councillor and approved by North York Community Council.
