Time: 9:30 a.m., or as soon as possible thereafter

PROPOSAL

The City of Toronto (City Planning and Development Review Division) has undertaken a comprehensive study for the area generally bounded by Highway 401 to the north and Ellesmere Road to the south, with irregular boundaries extending just west of Brimley Road and eastward along Bellamy Road North, East Highland Creek, and the TTC McCowan Yard spur line. The study has resulted in a proposed amendment to the Official Plan (OPA 871) to replace the 2005 Scarborough Centre Secondary Plan.

OPA 871 updates the policy framework to guide future growth in Scarborough Centre. It introduces new policies to manage growth within the area, including policies related to land use, public realm, parkland, mobility, built form, servicing and transportation infrastructure, and community services and facilities. To strengthen the Plan Area's relationship with nearby *Employment Areas*, OPA 871 proposes changes to the Secondary Plan boundary by removing the *Centres* overlay from 1680 Brimley Road and part of 333 Progress Avenue, taking these lands out of the Secondary Plan. The portion of 333 Progress Avenue removed would also be redesignated from *Mixed Use Areas* to *Core Employment Areas*. OPA 871 also updates the land use framework to guide appropriate intensification and support the creation of a complete community. It redesignates lands for seven new parks from *Mixed Use Areas* to *Parks*, and lands for two new natural areas from *Mixed Use Areas* to *Natural Areas*.

A copy of the draft Scarborough Centre Secondary Plan can be found on the study's webpage.

Detailed information regarding the Secondary Plan, including background information and material and a copy of the proposed Official Plan Amendment may be obtained by contacting Kelly Dynes, Senior Planner at 416-396-4250, or by e-mail at Kelly.Dynes@toronto.ca.
