Re: Notice of Intention to designate 510 Jarvis Street Toronto

Dear Sir,

I am writing to express my firm opposition to designating the entire building at 510 Jarvis historical.

Since it was built in 1888, many historical features at 510 Jarvis Street were completely rebuilt.

The addition in the back from 1919 has no historical value. Please see attached photos.

Most windows were replaced in the last 30 years.

The side porch was completely rebuilt. See building permit 01-145688 from June 2001.

The iron fence was completely rebuilt. It was brought in from another location.

The front door has been completely replaced.

Gas lamps were added in the last 20 years.

Should any construction be done in the future, only the front façade of the building should be designated historical and preserved.

Yours truly,
George Eichler
P. Eng
