To whom it may concern,

Re: Barbara Hall Park Revitalization Project Update

I would like to request an update and presentation from the Parks & Recreation division on the Barbara Hall Park Revitalization efforts and for them to receive feedback from the 2SLGBTQ Advisory Committee.

Barbara Hall Park, located in Toronto's Church-Wellesley Village, is undergoing revitalization efforts with a critical focus on preserving, centering, and enhancing of the AIDS Memorial and Trans Memorial — two sites of profound significance to the 2SLGBTQ+ community.

RECOMMENDATIONS:

1. Receive presentation from City Staff.
